

**REMARKS**

Claims 1, 4, 7, 14 and 57-58 are pending. The amendment to claim 1 is supported in the specification at least at p.36, line 17 to p.37, line 22. No new matter is added.

Working Example 4 on p.36 and 37, among other examples in the specification, shows that multiple variations of vector combinations can be produced. This step, now being claimed, is nowhere described or taught by the combination of art cited in the previous Office Action.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105.
